Whoa oh oh oh
Whoa oh oh oooooh oh

You must be the one, who will decide
What must stay when will we know
Who will be left behind

Each and every one of us is lucky enough
To be given a chance, to finally make amends
Better yet, make a difference
Make sure you won't be the last one who witnessed it

So it seems you have some tendencies to become
more than
Just temporary, I guess we'll see
(I guess we'll see)
If it was meant to be

Whoa oh oh oh
Whoa oh oh oooooh oh

Let's cut our losses and count on all of our blessings
As we make our way to the starting line,
You've already said goodbye a hundred times
As we make our way to the starting line,
You've already said goodbye, you've already said
goodbye

So it seems you have some tendencies to become
more than
Just temporary, Oh at least you have the decency to tell
Me that you'll be here permanently, I guess we'll see if
it
Was meant to

BE

(It was meant to be)

So it seems you have some tendencies to become
more than
Just temporary, Oh at least you have the decency to tell

Me that you'll be here permanently
