She's gone away
But still they stay together
People call me crazy, crazy
My thoughts progress
I think about forever
My mind tells me maybe, maybe

I wish I could drive away to the sunset
Back to the day that we first met
Only believe the things I wrote
I'll put it in a note, yeah
Cross my t's and dot my i's
Better say hello
Don't you dare say good-bye
I'll write sincerely yours and sign my name
P.S. I love you forever and today

Two weeks go by
Seems like it's been the weather
The rain falls down
She's crying, crying
My thoughts progress
She thinks about forever
Their hearts are bound lying, lying

I wish I could drive away to the sunset
Back to the day that we first met
Only believe the things I wrote
I'll put it in a note, yeah
Cross my t's and dot my i's
Better say hello
I'm gonna wave good-bye
I'll write sincerely yours and sign my name
P.S. I love you forever and today

All the heartache all the pain
All the words you said in vain
And I'll never be the same

I wish I could drive away the the sunset
Back to the day that we first met

Only believe the things I wrote
I'll put it in a note, yeah
Cross my t's and dot my i's
Better say hello
I'm gonna wave good-bye
I'll write sincerely yours and sign my name
P.S. I love you forever and today

P.S. I love you forever and today
