"Drive Away"

She's gone away but still they stay together
People call me crazy, crazy
My thoughts progress, I think about forever
My mind tells me maybe, maybe

I wish I could drive away to the sunset
Back to the day that we first met
Only believe the things I wrote
I'll put it in a note, yeah
Cross my t's and dot my i's
Better say hello, don't you dare say goodbye
I'll write "sincerely yours" and sign my name
P.S. I love you, forever and today

Two weeks go by, seems like it's been the weather
The rain falls down - she's crying, crying
My thoughts progress, she thinks about forever
Their hearts are bound - lying, lying

I wish I could drive away to the sunset
Back to the day that we first met
Only believe the things I wrote
I'll put it in a note, yeah
Cross my t's and dot my i's
Better say hello, I'm gonna wave goodbye
I'll write "sincerely yours" and sign my name
P.S. I love you, forever and today

All the heartbreak all the pain
All the words you said in vain
And I'll never be the same

I wish I could drive away to the sunset
Back to the day that we first met
Only believe the things I wrote
I'll put it in a note, yeah
Cross my t's and dot my i's
Better say hello, I'm gonna wave goodbye
I'll write "sincerely yours" and sign my name
P.S. I love you, forever and today

Forever and today
Forever and today
P.S. I love you
Forever and today
