"Gives You Hell"

I wake up every evening
With a big smile on my face
And it never feels out of place
And you're still probably working
At a nine to five pace
I wonder how bad that tastes

When you see my face
Hope it gives you hell
Hope it gives you hell
When you walk my way
Hope it gives you hell
Hope it gives you hell

Now where's your picket fence love
And where's that shiny car
And did it ever get you far
You never seemed so tense love
I've never seen you fall so hard
Do you know where you are

And truth be told I miss you
And truth be told I'm lying

When you see my face
Hope it gives you hell
Hope it gives you hell
When you walk my way
Hope it gives you hell
Hope it gives you hell
If you find a man that's worth a damn and treats you
well
Then he's a fool you're just as well
Hope it gives you hell
Hope it gives you hell

Tomorrow you'll be thinking to yourself
Where'd it all go wrong?
But the list goes on and on

And truth be told I miss you
And truth be told I'm lying

When you see my face
Hope it gives you hell
Hope it gives you hell
When you walk my way
Hope it gives you hell
Hope it gives you hell
When you find a man that's worth a damn and treats
you well
Then he's a fool, you're just as well
Hope it gives you hell

Now you'll never see
What you've done to me
You can take back your memories
They're no good to me
And here's all your lies
You can't look me in the eyes
With the sad, sad look
That you wear so well

When you see my face
Hope it gives you hell
Hope it gives you hell
When you walk my way
Hope it gives you hell
Hope it gives you hell
When you find a man that's worth a damn and treats
you well
Then he's a fool you're just as well
Hope it gives you hell

When you see my face
Hope it gives you hell
Hope it gives you hell
When you walk my way
Hope it gives you hell
Hope it gives you hell
When you hear this song and you sing along but you
never tell
Then you're the fool, I'm just as well
Hope it gives you hell

When you hear this song
I hope that it will give you hell

You can sing along
I hope that it puts you through hell
