Him and her
life is turned
the day i knew you would leave,
i can barley breathe.

Can you hear me scream?
whooo oooo ooo
Gone in all directions
whooo ooo ooo oooo
and bend the all perfections
she's lost her will,
(shes lost her will,)
time is standing still.

walks her home,
now he walks alone,
the days the turn into years,
the eyes they drown in tears.

Can you hear me scarem?
whoooo ooo ooo
gone in all directions,
whoo ooo ooo
and bend the all perfections
she's lost her will,
(shes lost her will,)
time is standing still.

the way we are,
the way we were,
it's just a shadow of the time,
whats wrong with you,
the time is through,
i'll hook you for yourself,
the words they turn away,
she says please go,
please don't.

you....
gone in all directions,
ooo ooo ooo

bend the all perfections,
ooo ooo ooo
she's lost her will
(shes lost her will)
the time is standing still....
x2
