All American Rejects It Ends Tonight Lyrics

Your subtleties

They strangle me

I can't explain myself at all.

And all the wants

And all the needs

All I don't want to need at all.

The walls start breathing

My minds unweaving

Maybe it's best you leave me alone.

A weight is lifted

On this evening

I give the final blow.

When darkness turns to light,

It ends tonight

It ends tonight.

A falling star

Least I fall alone.

I can't explain what you can't explain.

Your finding things that you didn't know

I look at you with such disdain

The walls start breathing

My minds unweaving

Maybe it's best you leave me alone.

A weight is lifted

On this evening

I give the final blow.

[Chorus]

When darkness turns to light

It ends tonight,

It ends tonight.

Just a little insight

Won't make this right

It's too late to fight

It ends tonight,

It ends tonight.

Now I'm on my own side
It's better than being on your side
It's my fault when your blind
It's better that I see it through your eyes

All these thoughts locked inside
Now you're the first to know

[Chorus x2]

Tonight
Tonight
Insight
When darkness turns to light,
It ends tonight
