Pretty In Pink
Yeah, In Your Prime
You Were So Hot
When I Was Nine

Sixteen Candles
Was My Best Friend
And You Fell
In Love Again

Remember In
The Breakfast Show
You Got With That
Guy You Know

I Wish It Was Me
Stuck With You
In That Library

And I Asked You
For A Chance
Maybe I Could See
You At The Dance

Well I Know
When I See Her
On The Show

Yeah, Molly Lets Me Know
(Ah, Ah, Ah, Ah)
That Everything's Alright

And When I See Her On T.V.
(Ah, Ah, Ah, Ah)
I Know That
She's The Girl For Me

Even Though She
Doesn't Understand
Yeah, Molly Hold My Hand

Pretty In Pink
Yeah, In Your Prime
You Were So Hot
When I Was Nine

Sixteen Candles
Was My Best Friend
And You Fell
In Love Again

And I Asked You
For A Chance
Maybe I Could See
You At The Dance

Well I Know
When I See Her
On The Show

Yeah, Molly Lets Me Know
(Ah, Ah, Ah, Ah)
That Everything's Alright

And When I See Her On T.V.
(Ah, Ah, Ah, Ah)
I Know That
She's The Girl For Me

Even Though She
Doesn't Understand
Yeah, Molly Hold My Hand

Yeah, Molly Hold My Hand

Mr. Ringwald
You Have Such
A Lovely Daughter

I Would Like To
Take Her Out
Like To
Take Her Out

Mr. Ringwald
You Have Such
A Lovely Daughter

I Would Like To
Take Her Out Tonight

Mr. Ringwald
You Have Such
A Lovely Daughter

I Would Like To
Take Her Out
Like To
Take Her Out

Mr. Ringwald
You Have Such
A Lovely Daughter

I Would Like To
Take Her Out
Like To
Take Her Out

I Would Like To
Take Her Out Tonight
