Please just don't play with me
My paper heart will bleed
This wait for destiny won't do
Be with me, please, I beseech you
Simple things, that make you run away
Catch you if I can

Tears fall, down your face
The taste, is something new
(Something that) I know
Moving on is, easiest when I'm made around you

So bottle up old love, and throw it out to sea
Watch it away as you cry
A year has passed
The seasons go

Please just don't play with me
My paper heart will bleed
This wait for destiny won't do
Be with me, please, I beseech you
Simple things, that make you run away
Catch you if I can

Waiting, day to day it goes through
My lips are sealed for her
(My tongue is tied) to a dream of being with you
To settle for less is not what I prefer

So bottle up old love, and throw it out to sea
Watch it away as you cry
A year has passed
The seasons go

Please just don't play with me
My paper heart will bleed
This wait for destiny won't do
Be with me, please, I beseech you
Simple things, that make you run away
Catch you if I can

Summertime, the nights are so long
The leaves fall down, and so do I into the arms of a
friend
Winter nights
My bedside is cold, for I am gone
And spring blossoms you to me

Summertime, the nights are so long
The leaves fall down, and so do I into the arms of a
friend
Winter nights
My bedside is cold, for I am gone
And spring blossoms you...
To me
