Shes gone away
and still they stay together
people call me crazy, crazy
my thoughts progress
I think about forever
my mind tells me maybe maybe

I wish i could drive away to the sunset
back to the day that we first met
only believe the things i wrote
i put it in a note yeah
cross my T's and dot my I's
Better say hello
dont you dare say goodbye

Ill write sincerely yours and sign my name
P.S I love you
forever and today

Two weeks go by
its like its been the weather
the rain falls down
shes crying crying
my thoughts progreses
she thinks about forever
their hearts are bound
lying lying

I wish i could drive away to the sunset
back to the day that we first met
only believe the things i wrote
i'll put it in a note yeah
cross my T's and dot my I's
Better say hello
im gonna wave goodbye

Ill write sincerely yours and sign my name
P.S. I love you
Forever and today

All the heartbreak all the pain

all the words you said in vain
and ill never be the same

I wish i could drive away to the sunset
back to the say that we first met
only believe the things i wrote
i put it in a note yeah
cross my T's and dot my I's
better say hello
im gunna wave goodbye

Ill write sincerly yours and sign my name
P.S. I love you
forever and today
forever and today
forever and today
P.S I love you
forever and today
