"Sierra's Song"

Open your eyes, you're just like I know you
Innocence runs down your face
As hard as I try
I die when I hold you
Guilty, I miss my place
Just to be there tonight
You gotta know it's for real

Cause I'll be the man you complete tonight
Just slip away and believe your mine
We've got the time now, the rest of our lives
Now you belong to me

Let's leave today, we can go anywhere
Show me what few get to feel
I'm not the same but you steal me away
And it's such a fake world, you're the one soul that's
real
Just to be there tonight (I'm alive)

I'll be the man you complete tonight
Just slip away and believe your mine
We've got the time now, the rest of our lives
Now you belong to me
Now you belong to me

Sierra, open the door and I'll walk right beside you
My Sierra, I'll give you more than a shoulder to cry
To believe, there's a place where we both live forever
and we'll go
If you'll just take my hand

I'll be the man you complete tonight
Just slip away and believe your mine
We've got the time now, the rest of our lives
Now you belong to me
I'll be the man you complete tonight
Just slip away and believe your mine
We've got the time now, the rest of our lives
Now you belong to me

I'll be the man you complete
Now you belong to me
