### "Swing, Swing"

Days swiftly come and go.  
I'm dreaming of her  
She's seeing other guys  
Emotions they stir  
The sun is gone.  
The nights are long  
And I am left while the tears fall.

Did you think that I would cry,  
on the phone?  
Do you know what it feels like,  
being alone?  
I'll find someone new

#### *[Chorus]*

(Swing) Swing, Swing from the tangles of  
My heart is crushed by a former love  
Can you help me find a way  
To carry on again.

Wish cast into the sky  
I'm moving on  
Sweet beginnings do arise  
She knows I was wrong  
The notes are old,  
They bend, they fold  
and so do I to a new love.

Did you think that I would cry,  
on the phone?  
Do you know what it feels like,  
being alone?  
I'll find someone new

(Swing) Swing, Swing from the tangles of  
My heart is crushed by a former love  
Can you help me find a way  
To carry on again

Bury me

(you thought your problems were gone)  
Carry me  
(away. away, away...)

*[Chorus fades till end]*

(Swing) Swing, Swing from the tangles of  
My heart is crushed by a former love  
Can you help me find a way  
To carry on again
