"Love Keeps Calling"

oh oh oh

oh oh oh

Hear the echos trough the night
Memory of a lucky night
See reflections of my life
I know I can heal I can heal from the pain inside
Many ways to turn away
But if I'm wrong than the pain will stay
Drive the bitch into the light
I've gotta learn from the pain inside

Love keeps calling my heart
Love keeps calling my heart
I spread my wings and fly away
Fly away from here
Love keeps calling my heart
Love keeps calling my heart
I spread my wings and fly away
Fly away from here

Paid the toll to see the shore
Don' wanna carry this weight no more
See the dark clouds in the sky
I know I can heal I can heal from the pain inside
Cause I don't want this to hurt no more
Time to look for an open door
Drive the bitch into the light
I've gotta deal with the pain inside

oh oh oh oh

oh oh oh oh

oh oh oh oh

oh oh oh oh

Love keeps calling my heart
Love keeps calling my heart
I spread my wings and fly away
Fly away from here
Love keeps calling my heart

Love keeps calling my heart
I spread my wings and fly away
Fly away from here
