### "You Make Me Feel"

Inside out, upside down  
There's no doubt  
Boy you're driving me crazy

Mystified, hypnotized  
Cannot fight  
Oh resistance is fading

Come on boy and take my hand  
I want you to be my man  
No, you don't understand  
I'm going crazy

You're playing the starring role  
to this my hungry soul  
I'm losing my self control  
I'm going crazy

You make me feel, so real  
You are my obsession  
You make me feel, so real  
You are my obsession

You make me feel, so real  
You are my obsession  
You make me feel, so real  
You are my obsession

All my vein, down the drain  
Can't contain  
Boy you're driving me crazy

Soul divine, know my mind  
All club night  
Oh resistance is fading

Come on boy and take my hand  
I want you to be my man  
No, you don't understand  
I'm going crazy

You're playing the starring role  
to this my hungry soul  
I'm losing my self control  
I'm going crazy

You make me feel, so real  
You are my obsession  
You make me feel, so real  
You are my obsession

You make me feel, so real  
You are my obsession  
You make me feel, so real  
You are my obsession
