[Magnetic Fields cover]

I know that you were never young
And I know you probably won't get old
But honey nobody's gonna hurt you anymore
And nobody's going to make you want to die

But I've been making promises I know I'll never keep
One of these days I'm gonna leave you in your sleep
I'll have to go when the whistle blows, the whistle knows
my name

Baby, I was born on a train.

Some roads you only see at night
Ghost roads nothing but neon signs.
But some nights the neon gas gets free
And turns into walking dead like me

But I've been making promises I know I'll never keep
One of these days I'm gonna leave you in your sleep
I'll have to go when the whistle blows, the whistle knows
my name

Baby, I was born on a train.

I'll go - one morning cold and grey,
You won't remember anything
Some of us don't believe in time,
And some of us don't believe in life

But I've been making promises I know I'll never keep
One of these days I'm gonna leave you in your sleep
I'll have to go when the whistle blows, the whistle knows
my name

Baby, I was born on a train
Baby, I was born on a train
Baby, I was born on a train
Baby, I was born on a train
Baby, I was born on a train
