Oh my God, a winter for a year  
Oh my God, a winter for a year  
And I cleaned out the back of my wardrobe for a year  
Jackets never turn into branches  
Not while you're not there

Oh my God, a winter for a year  
Oh my God, a winter for a year  
I kept my life so cold  
Every breath just fogs up all the mirrors  
The tears are frozen long  
Long before I ever thought of crying

So ends my year-long romance  
With radio towers and machines  
Wasted all my prayers  
That I can't remember my dreams  
But I don't mind

Oh my God, a winter for a year  
Oh my God, a winter for a year  
And I cleaned out the back of my wardrobe for a year  
Jackets never turn into branches  
Not while you're not there

So ends my year-long romance  
With radio towers and machines  
Wasted all my prayers  
That I can't remember my dreams  
But I don't mind  
No, I don't  
No, I don't care anymore
