Lil Wayne:

I got ice in my veins
Blood in my eyes
Hate in my heart
Love in my mind
I seen nights full of pain
Days are the same
You keep the sunshine save me the rain
I've searched but never find
Hurt but never cry
I work and forever try
But I'm cursed so never mind
And it's worst but better times seen further and beyond
The top gets higher the more that I climb
The spot gets smaller and I get bigger
Try to get in where I fit in
No room for a n*gga but soon for a n*gga
It be on motherf*cker
Cuz all this bullsh*t just make me strong motherf*cker

So I pick the world up and I'mma drop it on your f*cking head
Yeah
Bitch I'mma pick the world up and I'mma drop it on your f*cking head
Yeah
And I could die now and rebirth motherf*cker
Hop up in my spaceship and leave Earth motherf*cker
I'm gone
Motherf*cker I'm gone

Uh I know what they don't wanna tell you
Just hope your heaven sent and your hell proof
I woke up in the world and cut the lights off
And confidence is a stain they can't wipe off
Huh my word is my pride but wisdom is blinking that's a word from the wise
Serve to survive
Murder and thrive
And when it got too heavy I put my bird into size

So I can pick the world up and I'mma drop it on your

f*cking head
Haha Yeah
Bitch imma pick the world up and imma drop it on your
f*cking head
Yeah
And i could die now and rebirth motherf*cker
Hop up in my spaceship and leave Earth motherf*cker
im gone
Motherf*cker im gone im gone

Eminem:
It hurts but i never show
Its pain you'll never know
If only you can see just how lonely and how cold
And frostbit I'll become my backs against the wall
When ? come and show understand nothing scream
f*ck 'em all

Man it feels like these walls are closing in
This roof is caving in
Oops time to raise it then
Yet days in them but like pages in
My poker rhymes got them cooking boy
This crooked mind of mine
Got them all shook and scared to look in my eyes
I stole that f*cking clock i took the time and i
Came up from behind and pretty much snuck up and
butt f*ck this game up
Better be careful when you bring my name up
F*ck this fame that aint what
I came to claim but the game aint gonna be the same
of the day that ill leave it
But i swear one way or another imma make these
f*cking haters believe it
That i swear to god most spare to rod
Imma man on my works on your f*cking head spare to
nod
Imma f*ck around in this b*tch and roast everybody
Sleep on me that pillow is where your head to lie
Permanently bitch is ?
This world is my easter egg yeah prepare to die
My head is warm
My confidence is up the stage as my pedestal
Im Unstoppable incredible
Hope you trapped in my medicine ball
I can run circles around you so fast your f*cking head
will spin dog
I'll split your cabbage and your lettuce and olives
I'll f*cking

Pick the world up and imma drop it on your f*cking

head
Yeah
Bitch imma pick the world up and imma drop it on your
f*cking head
Yeah
And i could die now and rebirth motherf*cker
Hop up in my spaceship and leave Earth motherf*cker
im gone
Motherf*cker im gone im gone
