Written by: R. Robinson & C. Robinson

I feel clean again
I don't waste my sin
I can't spare a grin
Because it's bad blood time again

My morning full on speed
No it's not so rid of me
This is, this is a hungry need
Won't you help me to plant the seed

And if it grows
Yes, we'll know, oh we'll know
If I found you a floating feather
Sent down to help me fly away
If I found you a floating feather
I would be amazed
I'd be amazed

Your lips taste dry again
Death cold has got your skin
I'm not lost in who loses or wins
I would just like for this spell to end

Cause I'm ready
Ready to begin
Begin again
If I found you a floating feather
Sent down to help me fly away
If I found you a floating feather
I would be amazed

I, Well I remember one time
You were all smiles
Nothing stood in our way
Well so here I am now
Here I am just wanting to return to those days
We'll get there baby
I'll take you there babe
Oh, we will find, we will find our way
