From the window of your rented limousine, I saw your
pretty blue eyes
One day soon you're gonna reach sixteen, Painted lady
in the city of lies.

Oh, do you know my name? Do I look the same
You know I'm the one you want. I must be the one you
need, yeah

Clutching pages from your teenage dream In the lobby
of the Hotel Paradise
Through the circus of the L.A. queens. How fast your
learn the downhill side

Oh, do you know my name? Do I look the same
You know I'm the one you want. I must be the one you
need,.

Lips like cherries and the brow of a queen, Come on,
flash it in my eyes
Said you dug me since you were thirteen, Then you
giggle as you heave and sigh.

Oh, do you know my name? Do I look the same
You know I'm the one you want. I must be the one you
need.

Hours, hours, and the moments in between, Oh, baby, I
couldn't count the times
the fun of comin', oh the pain in leavin', Baby, dry
those silver eyes

Oh, do you know my name? Do I look the same
You know I'm the one you want. I must be the one you
need,

Ooh, that's right.
