### "Thorn In My Pride"

Wake me when the day breaks  
Show me how the sun shines  
Tell me about your heartaches  
Who could be so unkind?  
Do you dream to touch me?  
And smile down deep inside  
Or could you just kill me?  
It's hard to make up your mind, sometimes.

My angels, my devils, my thorn in my pride.

Are you wanting inspiration  
You spill your secrets on me  
Then you tell me with a whisper  
Of things that will never be.  
Do you hear me breathing?  
Does it make you want to scream?  
Did you ever like a bad dream?  
Sometimes life is obscene.

My angels, my devils, my thorn in my pride.

Lover cover me with your sleep  
Let your love light shine  
Lover cover me with a good dream  
Let your love light shine
