Did it make you stop to think
You're on the brink
Not to test you cuz you don't know how far you'd go

Did you make a big mistake
You've cut your fate
And you wish you could leave this life for just one day

welcome to the goodtimes honey
did you bring your own parade
and welcome to the big time baby
time for a serenade

la da da da da da da da da da
la da da da da da da da da da

Did you say you lost your pride
You tried to hide
But your not strong enough to ever get away

And it only goes to show
What we all know
That the tables will surely turn for you one day

so welcome to the goodtimes honey
did you bring your own parade
welcome to the big time baby
time for a serenade

la da da da da da da da da da
la da da da da da da da da da

it should come as no suprise
just realize
that when it all comes down who is really on your side

tell me

so welcome to the goodtimes honey
did you bring your own parade
welcome to the big time baby

time for a serenade

la da da da da da da da da

(oh baby)

la da da da da da da da da

(good to see you here)

la da da da da da da

la da da da da da da da da

la da da da da da da

(welcome home baby welcome home baby)
