"Carnival"

I will never know
cause you will never show
come on and love me now
come on and love me now

Carnival came by my town today
bright lights from giant wheels
fall on the alleyways
and I'm here
by my door
waiting for you

I will never know
cause you will never show
come on and love me now
come on and love me now

I here sounds of lovers
barrel organs, mothers
I would like to take you
down there
just to make you mine
in a merry-go-round
