Hey there boy, you've been waiting all day  
To get to this class and cause some pain  
Hey there girl, are you taking a chance?  
Didn't you know, tights aren't pants?  
Hey there boy, are you dreaming now?  
Hearing your name from the screaming crowds  
This is how you spend your days  
Throwing air balls in your gym class haze

This is only gym class, don't take it so seriously  
One more hour and you'll be free  
Love it or hate it, it won't go away  
Cause everybody's doing the gym class haze  
Hey, hey, doing the gym class haze, hey hey

Hey there girl, you just sit and stare  
'Till you get hit by the jock right there  
Hey there boy, the only one that falls  
Trying to hit a ping pong ball  
Hey there girl, can you really not see  
How easy it is to throw a frisbee  
Pretend there's nothing you can play  
Stuck inside your gym class haze

This is only gym class, don't take it so seriously  
One more hour and you'll be free  
Love it or hate it, it won't go away  
Cause everybody's doing the gym class haze  
Hey, hey, doing the gym class haze, hey hey

Kicking and screaming, won't listen to you  
There's really that you can do  
Hey there coach, I think it's safe to say  
You're stuck inside their gym class haze

This is only gym class, don't take it so seriously  
One more hour and you'll be free  
Love it or hate it, it won't go away  
Cause everybody's doing the gym class haze  
Hey, hey, doing the gym class haze, hey hey
