I wonder what it's like  
seeing through your eyes  
You've offered me to have a try  
but I was always late  
The filters that I use  
give me an excuse  
I take away what's real  
I feel it and it blows my fuse

I hang around  
for another round  
I'm hanging around  
for another round  
I'm hanging on  
to the same old song  
I hang around  
for another round  
Until something stops me

I wonder what it's like  
walking by your side  
To think before I talk  
and to move at the same speed as you walk  
I want to have a weight  
to keep me in your state  
I'm watching from above  
I love it but it's not for me
