### "Holy Love"

When you love I can feel your love  
Shooting holes in my stupid pride.  
When you love I don't fear your love,  
Of all the angels you're the most divine.

Holy love.

You can really have anything you want from me.  
Anything you ask me to, I'll do,  
We can live in poverty or prosperity,  
Anything impossible, I'll try  
You can really have everything you ask,  
And I'll be intimate with you  
Giving everything over  
To making everything right.

Holy love.

When you love I can feel your love  
Shooting holes in my stupid pride.  
When you love I don't fear your love  
Of all the angels you're the most divine.

Holy love.

You can really make anyone you want of me.  
Anything you need tonight I'll be,  
Whether you want empathy, animosity  
An enemy or company, call me!  
I can even be nothing if you ask,  
I'll turn invisible for you,  
I'm the bird on your shoulder,  
Singing psalms through the night  
Of holy love.

When you love I can feel your love  
Throwing rocks through the windows of a monastery  
Love makes me feel the super extra gravity of God,  
yeah, and life.

When you love I can feel your love.

Of all the angels you're the most divine.
