Such a feelin's comin' over me

There is wonder in most everything I see

Not a cloud in the sky
Got the sun in my eyes

And I won't be surprised if it's a dream.

Everything I want the world to be

Is now coming true especially for me

And the reason is clear

It's because you are here

You're the nearest thing to heaven that I've seen.

I'm on the top of the world
Lookin' down on creation
And the only explanation that I can find

Is the love that I've found

Ever since you've been around

Your love's put me at the top of the world.

Something in the wind has learned my name
And it's tellin' me that things are not the same

In the leaves on the trees
And the eouch of the breeze

There's a pleasin' sense of happiness for me.

There is only one wish on my mind

When this day is through I hope that I will find

That tomorrow will be
Just the same for you and me
All I need will be mine if you are here.
