### "Travelling With Charley"

Once he gets a mystic call  
jump into his motorcar  
Once we're rolling down the road  
he's forgotten where to go

Travelling with Charley  
my detective darling

My agent hasn't solved a case  
My agent never finds a trace  
but Charley has always style  
Charley is always nice

poor Charley  
He would be nothing without me

Once I clear his memory  
but he'll crash into a tree  
Once we're getting to the place  
someone else has solved the case

Travelling with Charley  
my detective darling

My agent hasn't solved a case  
My agent never finds a trace  
but Charley has always style  
Charley is always nice

poor Charley  
He would be nothing without me  
But I do love him
