### "Your New Cuckoo"

I saw you there  
I stopped and stared  
the curly girlie smiled  
You really were  
too close to her  
and people just went by

I saw your face  
and her embrace  
your whisper in her ear  
I know the score  
'cause I've heard it before  
I read your lips with fear

Your words were clear (you said:)

La-la-la-la-la-la  
let's say forever, let's say it's true  
la-la-la-la-la-la-  
let's come together, me and you  
la-la-la-la-la-la  
your new cuckoo
