[Verse 1: Skyzoo]

Never be a drought as long as I'm in the front  
They lookin around but couldn't find it off the jump  
I'm cookin in loud and got 'em poppin off for one  
I'm hookin the town you hear 'em droppin in the dump  
A lil' more on the edge, they was lookin for less  
Used to the tap, they was lookin for steps  
I don't juice none of that, they mistook it for meds  
The root is under that just say I shook off the reds  
When the bass get the beatin with the 808 beneath it  
Ain't a lane they could be in that I ain't already deep in  
Take it how you need it but basically what it be is  
I could break this into pieces and make me a few  
believers  
Let 'em know from the go, now they dealin what go up  
As much as I can throw, everything for the lower  
One after the other one, then I shake another one  
Huh! Dish them the opposite and watch how the double  
come  
Got 'em sittin in pocket I provide 'em that one of one  
All of this is the obvious, I was just linin up  
Huh! And now they wanna bring the 90's back  
That's ok 'cause that's where they design me at

[Chorus: Skyzoo (Background Singers)]

And so my speakers on blast, speakers on blast  
Speakers-Speakers on blast, speakers on blast  
So my speakers on blast, speakers on blast  
Speakers-Speakers on blast, speakers on blast  
So my speakers on blast, speakers on blast (Here they  
come yo, here they come)  
Speakers-Speakers on blast, speakers on blast (Here  
they come yo, here they come)  
So my speakers on blast, speakers on blast (Here they  
come yo, here they come)  
Speakers-Speakers on blast, speakers on blast (Here  
they come yo, here they come)

[Verse 2: Skyzoo (Background Singers)]

Live from in front of the store that never close  
If ever I go it's on a temporary road  
Huh! Double back and repost forever home

Twenty D batteries you should already know  
When the tape get the runnin and the 808 jumpin  
Ain't a box you could carry that could carry out a  
drummin  
See the block 'gon carry they 'gon carry by the  
hundreds  
Try and cop won't carry they could carry how you want  
it  
(Here they come) Couple broads that understand what  
speakers do  
Hennessy Black pride tryin to get a liter through  
Huh! Movie Jordan's no scuds, keep it true  
And if a freezer around I'm tryin to Tina you (\*They  
don't get it!)  
Back to the bassline and what's around it  
I'm trapped in my previous plays I'm 'bout countin  
I actually keep it the same so if you doubt it  
Then you just wasn't listenin of how I been about it  
If the rooftop was here how would you try and porter it?  
Essence of a previous cloth that they imported in  
Huh! Cut different so you see what the importance is  
Show you motherfuckers how to sport this

[Chorus: Skyzoo (Background Singers)]  
Tell 'em that my speakers on blast, speakers on blast  
Speakers-Speakers on blast, speakers on blast  
So my speakers on blast, speakers on blast  
Speakers-Speakers on blast, speakers on blast  
So my speakers on blast, speakers on blast (Here they  
come yo, here they come)  
Speakers-Speakers on blast, speakers on blast (Here  
they come yo, here they come)  
So my speakers on blast, speakers on blast (Here they  
come yo, here they come)  
Speakers-Speakers on blast, speakers on blast (Here  
they come yo, here they come)

[Bridge: Skyzoo]  
My kin wood handle that bass like shortstops  
Been good handle that tape it's all knocks  
So I put that on ten, put that on ten  
808 there yeah I put that on ten  
My kin wood handle that bass like shortstops  
Been good handle that tape it's all knocks  
So I put that on ten, put that on ten  
808 there yeah I put that on ten

[Chorus: Skyzoo (Background Singers)]  
Speakers on blast, speakers on blast  
Speakers-Speakers on blast, speakers on blast  
So my speakers on blast, speakers on blast

Speakers-Speakers on blast, speakers on blast  
So my speakers on blast, speakers on blast (Here they  
come yo, here they come)  
Speakers-Speakers on blast, speakers on blast (Here  
they come yo, here they come)  
So my speakers on blast, speakers on blast (Here they  
come yo, here they come)  
Speakers-Speakers on blast, speakers on blast (Here  
they come yo, here they come)

[Outro: Background Singers (Skyzoo)]  
Here they come yo, here they come (Call me S-K-Y-Z-O-  
O)  
Here they come yo, here they come (S-K-Y-Z-O-O)  
Here they come yo, here they come (Huh! Illmind on it)  
Here they come yo, here they come
