I see you everyday and it hurts
To know that you are not mine
I hope that you will someday learn
That in me love is what you'll find
[chorus]
I'd do most anything
For you to be here with me, can't you see
I'd do most anything
So I could feel you hold me and touch me
It's hard to show you how I feel
I'd save all my love for you
Cause I know we could be for real
Just tell me what I have to do
[chorus]
I'd do most anything
For you to be here with me, can't you see
I'd do most anything
So I could feel you hold me and touch me..
