Don't care
About anything
Just want (I just wanna dance with you)
To dance with you
So come
Here next to me
Where you ought to be
Take my hand
Ill show you
Just how to set your mind at ease
So trust me
Ill show you how to be free (Ill show you how to be free)
I wanna dance (8x)
(chorus)
Dance all night, all night
Til the sun comes up
Dance all night
All night, ooh yeah
Dance all night
All night
Til the morning comes
Who cares
What people say
They're just jealous of me and you
I wish (I wish)
They could feel as we do
Take my hand
Ill show you
The world and how it could be
So trust me
Ill give you all that you need (Ill give you all that you
need)
All night till the sun comes up
All night, ooh yeah
(2x)
(bridge)
Well dance until the dawn
Oh DJ wont you play my song
All night, rock with me
Well have some fun just you and me
(2x)
Till the sun comes up

Oh, oh, oh, oh, oh, oh, oh, oh (2x)
(chorus)
