Everything is final, hand on the bible
Swear before got, obliterate any rivals
My bitch tattered, holy scripts and trible
Senior on her ass, and titties baby you my boo
French kissing under the eifel
Blue freaking dress and her lipstick is pyru
This is me nigga no costume
Lafiette denim retro 9 and sky blue
Somq inquire what such and such never search you
Cause I don't sign bad deals like t choir crew
Speculations from the galleries of peanuts
Spin up off that, kg when they pee up
Point game to yoru 6 started with 3 up
Them old niggas weezing and shit,
They can't keep up
I'm blazing trails as the new school leader
Second coming to no one
I am the first me nigga

[Hook]

I'm the motherfucking man, yeah
Get gone, I just get with the plan
Cause I'm making them mad
Whenever I pass by
They say oho, there go that guy
He so damn fly
They say it's not fair
I'm just doing my god damn thing
Baby I go in, go in
I will be killing the game
Now that I'm here

Underneath the pale moon light dancing with devils
Money on my mind and even more on the schedule
The crÃ"me always rises to the surface of the sess pool
Look what the fuck a little bit of success do
Finally getting my gesture
Off the next dude, off of my own married
Now who I'm next to
Swag still drippin like cheese fondue
Bavarian swiss, cordon bleu

Wanted to be sean price, cause my name is sean too
Till sean carter went 5 mill with Â...2
I blew through green like coke bark blue
They mind so dark itÂ's dÃ©jÃ vu
Every time that IÂ'm visible, fresh tennis shoe
Way before Â...new loop
Toxic waste, biohazard these chemicals
Unsigned hype 204 they have issues,

[Hook]

IÂ'm the motherfucking man, yeah
Get gone, I just get with the plan
Cause IÂ'm making them mad
Whenever I pass by
They say oho, there go that guy
He so damn fly
They say itÂ's not fair
IÂ'm just doing my god damn thing
Baby I go in, go in
I will be killing the game
Now that IÂ'm here
