I need your loving, baby, every day and night, now  
I need your loving arms to hold me tight, tight now  
Ooh, I need your loving, yeah, that sweet, sweet loving  
Ooh, that tender loving

Every day and night, now, every day and night, now  
Love got a hold on me, now, love got a hold on me,  
now,  
I'm rocking, rocking, got me rocking and reeling  
Yes, I'm rocking, rocking, got me rocking and reeling  
Because I'm crazy about you baby, and I can't have  
enough of you  
Got to have your loving, baby, got to have your kisses  
baby

I need your loving, baby, every day and night, now  
I need your loving arms to hold me tight, tight now  
Ooh, I need your loving, yeah, that sweet, sweet loving  
Ooh, that tender loving

Every day and night, now, every day and night, now  
Ooh, I need your loving, yeah, that sweet, sweet loving  
Ooh, that tender loving  
Every day and night, now, every day and night, now

I need your loving, baby, every day and night, now  
I need your loving arms to hold me tight, tight now  
Ooh, I need your loving, yeah, that sweet, sweet loving  
Ooh, that tender loving

Every day and night, now, every day and night, now  
Every day and night, now, every day and night, now  
Ooh, I need your loving, yeah, that sweet, sweet loving  
Ooh, that tender loving  
Every day and night, now, every day and night, now  
Every day and night, now, every day and night, now
