"I Wear My Slanders"

Visit "[I Wear My Slanders](#)" on MotoLyrics.com

I'll my slanders to your party, if you don't mind
I'll grow my hair in any kind of style, if you don't mind
And all I want to say is that my heart is clean
Don't you, don't you know just what I mean?

If you don't mind, if you don't mind

My clothes is torn and tattered; I pay that no mind
My soul is clean and untampered, if you don't mind
And all I want to say is I mean you no harm
All you've got to do is just play it calm, girl

If you don't mind, if you don't mind

I'll drink a touch of brandy, if you don't mind
Not that I like the stuff, but something is on my mind
And all I want to say is just give me a chance
Let's find a girl and enjoy this dance

If you don't mind, if you don't mind
