Many a tear has to fall, but it's all in the game  
All in a wonderful game that we know as 'love'  
You had words with him, and your future's looking kind  
of dim  
But these things your heart can rise above

Once in a while, he won't call, but it's all in the game  
Soon he'll be there at your side with a sweet bouquet  
Then he'll kiss your lips and caress your waiting  
fingertips  
And your heart will fly away, come on, sing this song...

Then he'll kiss your lips and caress your waiting  
fingertips  
And your heart will fly away

Your heart, your heart will fly away  
Your heart, your heart will fly away

It's all in the game, a game called love  
It's all in the game, a game called love...
