welcome back, welcome back, welcome back

welcome back to the days and the times of old  
welcome back to the classic stories thats been told  
welcome back to diamond back whites painted chrome  
back when life was way more simple is all  
welcome back to 5-0-1 and acid wash jeans  
if you had tough skins you didn't want to be seen  
welcome back to cap session till the sun went down  
slap box your way before you ever left the town  
welcome back to one on one fight with no grounds  
bein fired fat boy signing session in tower  
Run DMC, Houdini my first rap album  
brush groove, back when Run asked the crowd whos  
house  
breaking one, breakin two beats street wild style  
jackin five christmas playin on your radio dial  
reminiscing, drifting on a memory in this rap  
welcome back, welcome back

welcome back to the crush on a girl next door  
fifth period in homeroom passin back notes  
welcome back to family barbecues every month  
sometimes there would be arguments but it was all  
love  
welcome back to coasters and karate shoes  
the great space coaster no ganews is good ganews  
way before you ever had a sip of your first booze  
drunk off life the simple things kept you amused  
welcome back to box cuts and jags  
jheri curl activate a rock in the plastic bag with a hat on  
the top  
when niggas started to sag and gang bang  
even if you didn't you had to claim  
rockin corduroy hats with a crease on top  
stealing fake gazelles out of the local thrift shop  
reminiscing, drifting on a memory in this rap  
welcome back, welcome back

we keep it movin yall, we keep it movin yall  
we take it back yall, we take it back yall

Welcome back to summer time expos in the park  
beach cruisers padded with the black foam on the bars  
Welcome Back Cotter, Good Times, What Happening  
now

Sanford and Son, The Cosby Show that my momma  
Gucci sweat shirt light blue furry Kangols  
the Fila Mickey Mouse shirt that said yo baby yo  
Spuds Mckensie, Pee Wees dance, Doin the Butt  
Robocop, the cabbage patch, fake id in the club  
African medallion, School Dayz, Do the Right Thing  
I get raw still number one microphone fiend  
just reminiscing, drifting on a memory in this rap  
welcome back, welcome back  
welcome back, welcome back
