Going home, going home
I'll be going home
Quiet light, some still day
I'm just going home

It's not far, just close by
Through an open door
Work all done, care laid by
Going to fear no more

Mother's there expecting me
Father's waiting, too
Lots of folk gathered there
All the friends I knew

All the friends I knew

Nothing's lost, all's gain
No more fret nor pain
No more stumbling on the way
No more longing for the day
Going to roam no more

Morning star lights the way
Restless dreams all done
Shadows gone, break of day
Real life just begun

There's no break, there's no end
Just a living on
Wide awake with a smile
Going on and on

Going home, going home
I'll be going home
It's not far, just close by
Through an open door
I'm just going home

Going home...
