Easy now no need fi go down,

When you run come around,
Cu(z) I kno ur the talk of the town yea
(repeat 4x)

Easy now no need fi go down
Just walk it gently and no break nah bone,
Cool end-it-ly, you have a style of your own,
Me never kno you saw ya master the saxsaphone

cause u sound like the talk of the town yea,
imma lock u when u run come around yea,
make me wobble, make me whole body bubble,
an me no say ya trouble, when ya ready for the double,
and n u hit that,
no ti-na the mickle
play with it a lickle,
why you so na tickle
no ti-na the mickle
stay with it a lickle,
why you so na tickle

Best shown overall, shiny and tall,
One touch make a gal climb whoever you are,

Brass hat, hatter than fireball
Whoop Whoop!
You not small you not lickle at all
Dat touch, just dip on me mind yea
The good feelin dip on rewind yea
make me wobble, make me whole body bubble,
an me no say ya trouble, when ya ready for the double,
and n u hit that,
no ti-na the mickle
play with it a lickle,
why you so na tickle
im tellin' you to, hit that
no ti-na the mickle
stay with it a lickle, why you so na tickle
im feelin' them

Walk it gently and no break nah bone

easy now no need fi go down,
easy now no need fi go down,
rock that run that, thÃ³s where we from
(repeat 2x)
