2 Juliets
It wasn't really a fairytale
Till you came along
I was just a fail
You were the right to my wrong
But now I see
How it has to be

I'm in love with you baby
But you can't see
You don't know what's in front of you
And don't know what to do

[Chorus]
There are 2 Juliets fighting for one Romeo
Who doesn't even know
I'm love with him
Just the way that he is
Romeo can't see
But he's got 2 Juliets fighting for everything
Why can't he open his eyes,
See through the lies
And look at his 2 Juliets

[2nd Verse]
He flips his hair
I can't help but stare
He's perfect without flaw
He's got it all

I've got a broken heart looking at him, though
Cuz he doesn't know
Why can't he see

[Chorus]
There are 2 Juliets fighting for one Romeo

Who doesn't even know
I'm love with him
Just the way that he is
Romeo can't see
But he's got 2 Juliets fighting for everything

Why can't he open his eyes,
See through the lies
And look at his 2 Juliets

[Bridge]

It's come down to this
Just me, her, and him
But if I'm not his princess,
Then there won't be

[Final Chorus]

2 Juliets fighting for one Romeo
Who doesn't even know
I won't be love with him
Just the way that he is
Romeo won't see
But he's got 1 Juliet fighting for everything
Open his eyes
See through the lies
And look at his 1 Juliet

[Final Verse]

La, la, la, la, la, la, la, la, la, la, la, la, la, la, la, la,
la, la, la, la, la, la, la, la, la, la, la, la
La, La
