When I look in your eyes
All my pain goes away
I have nothing to hide
But don't know what to say

Your love is a drug
On which I've overdosed
So obvious, and clear
You and I are so close

Chorus: Just a simple lovesong
Just to tell you that I love you
Just a simple statement
Making sure you love me too
Just a simple way
To communicate
The love from me to you
Your the only one
That I ever want
I want it to stay true

Yes I love you.

You call your an angel
You stand by my side
You tell me I have
Pretty little angel eyes

I get lost in your eyes
Their so hypnotizing
Your smile is so sweet
Your my prince charming

Chorus

You mean the world to me
You make me whole
You soothe my heart
My mind and my soul!

Chorus x3

Your an amazing guy

So amazing - amazing - yeah

-Whisper- I love you
