Sorry
(Sorry, sorry, e yeah, Iâ'm sorry)
The pavement is soaking wet
Iâ'm staring as Iâ'm walking on it
Thinking about how Iâ'll never forget
Oh Iâ'll never forget the way it ended

I see your face
Every step I take
Oh whoa I hear your name everywhere I go
Whoa e yeah, yeah, yeah

I can see us dancing in the rain
I can see us slamming doors during a fight
Whoa I can still feel the pain
I can see the early morning night
After a long night of no sleep
Throwing your picture around
Cuz your smile cuts me deep
And I can feel us breaking down

Thereâ's broken glass on my bedroom floor
From your picture frame
Iâ'm crying harder than before
Searching for that flame (e yeah, yeah)

I can feel your arms around me
I can feel your lips on mine

But our time (our time) is done whoa

I can see us dancing in the rain
I can see us slamming doors during a fight
Whoa I can still feel the pain
I can see the early morning night
After a long night of no sleep
Throwing your picture around
Cuz your smile cuts me deep
And I can feel us breaking down

No, no, no
Gotta let it go

Iâ'm not, Iâ'm not, Iâ'm not gonna cry
When I say goodbye
But Iâ'll always, always

See us dancing in the rain
See us slamming doors during a fight
Whoa still feel the pain
See the early morning night
After a long night of no sleep
Throwing your picture around
Cuz your smile cuts me deep
And feel us breaking down

Close the book, turn a page
Do whatever you want babe
Mhmmhmm
