I looked in your eyes today  
I don't know what happened there  
It must have been the way,  
You ran your fingers through your hair

I felt the butterflies  
Feeling like I could fly  
When you kissed me  
I felt it baby

Sparks fly between you and me  
Your eyes are the only thing I can see  
Oh whoa oh oh sparks fly  
Brighter than fireworks on the fourth of July  
I've been waiting for this  
Feeling sparks fly during that first kiss  
I can't help the way I'm feeling, can't help it

You're all around me now  
Feeling the sparks flyin around  
You're just the kind of guy I need  
For once my dad likes a guy I bring home,  
For once I'm not feeling all alone

Sparks fly between you and me  
Your eyes are the only thing I can see  
Oh whoa oh oh sparks fly

Brighter than fireworks on the fourth of July  
I've been waiting for this  
Feeling sparks fly during that first kiss  
I can't help the way I'm feeling, can't help it

Whoa baby I'm feeling it  
I'm feeling sparks fly every time that we kiss  
I'm so loving this  
So keep the sparks flyin for me  
Oh please never leave Cuz

Sparks fly between you and me  
Your eyes are the only thing I can see  
Oh whoa oh oh sparks fly

Brighter than fireworks on the fourth of July  
I've been waiting for this  
Feeling sparks fly during that first kiss  
I can't help the way I'm feeling, can't help it

I woke up early this morning  
Dreaming about you again without warning  
So I put on my makeup and wait for sparks to fly :)
