Diluted Johnny went for a walk
Got in his car and stood up a bar
The people in the bar yelled at him
What the fuck is wrong with you? You fuckin nut!
He went to the beach
Met a nice bitch
It was only an hour before the got hitched
He hated his life
Went back in the car
Drove it in some river not very far
His wife yelled
What the fuck is wrong with you? You fuckin nut!
He survived that horrible wreck
His new wife died
At least last time I checked
Diluted Johnny is always the same

A diluted nut that's always insane
He was that little boy in you
He still is that little boy in you
You like he more than yourself
You know you're in your own hell
Everyone hates you Johnny
We wished you died with you wife
Diluted Johnny
Always the same
Diluted Johnny
Always insane
Diluted Johnny'ah, fuck you
Diluted Johnny
Always the same
Diluted Johnny
Always insane
Diluted Johnny, what the fuck is wrong with you?
