Foy/Thomas/Kenn
can't get a taxi,
can't get a bus,
what seems to be the matter with us?
we'll have to walk it
in the rain....
but wait!hold on!
We're handy for trains!!!
Chorus:
Handy for trains, yes
So handy for trains
Handy handy handy for trains!

(Instremental - 15 seconds)
We don't need no taxis,
We don't need no bus,
We don't need no Nissan Almera
A train is good enough for us
(for us, for us)
Repeat Chorus x2
Oh handy for trains
So handy....yeah
