Verse 1: Its another firey afternoon (so hot, so hot)
Hotter than the month of June So we should go beach
now (cool down) cool down where the waters right yeah
Lets grab our boards and run, run, run, run Run to the
nearest shore School is pau, lets go now And hele out
the door yeah

Chorus: The wait is on fire, the day is getting hot this is
my desire, but once it hits the spot ah yeah cool down
(2x)

Verse 2:
The waters looking nice and blue (so blue, so blue)
Bluer than the clearest sky And the waves are fireen
getting higher and better even as we speak yeah Dont
you melt the sun, sun, sun, sun, Sun is hotter than ever
before So lets ride, ride Surf and ride some more

yeah

Chorus: The wait is on fire, the day is getting hot, this is
my desire, but once it hits the spot ah yeah cool down
(2x)

All you divers well go and get your gear And all you
riders well now surf with no more fear Cause its a hot
day, everybody shoulda go, shoulda go, shoulda go
and cool off yeah All you paddlers well a go and get
your crew And everybody else you know what to do Go
grab your Ohana its so nice outside Were living in
Hawaii with Aloha and pride yeah

Chorus: the wait is on fire, the day is getting hot, this is
my desire, but once it hits the spot ah yeah cool down
(3x)
