Verse 1:

Said it happened last night about ten to eleven
When I first laid eyes on you
We're standing in line into Club Triple 7
It was just like heaven and a dream come true
We're standing in the right place at the right time
When you this 'ehu girl caused the crime

Chorus:

You're my pretty little 'ehu girl who made me a fool in
love
Got my heart twirling a whirl and now it needs coolin,
off
You set my heart on fire and now I don't know what to
do
You set my heart on fire and now I'm so in love with you
My 'ehu girl

Verse 2:

And beautiful girls oh yes I've seen a few
But out of all the beauty in the world there's no one
quite like you

Cause...

Chorus:

You're my pretty little 'ehu girl who made me a fool in
love
Got my heart twirling a whirl and now it needs coolin,
off
You set my heart on fire and now I don't know what to
do
You set my heart on fire and now I'm so in love with you
My 'ehu girl

My 'ehu girl

(The way your) 'ehu hair floats in the air

(The way your) shining eyes reflect the skies

(The way your) smile burns up my flame

But I don't know your name and I guess I'll call my

Chorus: (1x to fade)

You're my pretty little 'ehu girl who made me fall in love

Got my heart twirling a whirl and now it needs coolin,
off

You set my heart on fire and now I don't know what to

You set my heart on fire and now I'm so in love with you

My 'ehu girl
