### "Killing Me Softly"

I heard she sang a good song  
I heard she had a style  
And so I came to see her and listen for a while  
And there she was this young girl  
A stranger to my eyes

Strumming my pain with her fingers  
Singing my life with her words  
Killing me softly with her song  
Killing me softly with her song  
Telling my whole life, with her words  
Killing me softly with her song

I felt all flushed with fever  
Embarrassed by the crowd  
I felt he found my letters and read each one out loud  
I prayed that he would finish  
But he just kept right on

Strumming my pain with her fingers  
Singing my life with her words  
Killing me softly with her song  
Killing me softly with her song  
Telling my whole life, with her words  
Killing me softly with her song

She sang as if she knew me  
In all my dark despair  
And then she looked right through me as if I wasn't  
there  
And she just kept on singing  
Singing clear and strong

Strumming my pain with her fingers  
Singing my life with her words  
Killing me softly with her song  
Killing me softly with her song  
Telling my whole life, with her words  
Killing me softly with her song
