### "Smile"

Smile tho' your heart is aching,  
Smile  
Even though it's breaking,  
When there are clouds in the sky  
You'll get by,  
If you  
Smile through your fear and sorrow,  
Smile and maybe tomorrow  
You'll see the sun come shining through- For you.  
Light up your face with gladness,  
Hide ev'ry trace of sadness,  
Altho' a tear may be ever so near,  
That's the time you must keep on trying,  
Smile- What's the use of crying,  
You'll find that life is still worthwhile,  
If you just smile.
