I'm not lookin' for someone to talk to  
I've got my friends, I'm more than okay  
I've got more than a girl could wish for  
I live my dreams but it's not all they say

Still I believe, I'm missin' somethin' real  
I need someone who really sees me

Don't wanna wake up alone anymore  
Still believin' you'll walk through my door  
All I need is to know it's for sure  
Then I'll give all the love in the world

I've often wondered if love's an illusion  
Just to get you through the loneliest days  
I can't criticize it, I had no hesitation  
My imagination just stole me away

Still I believe  
I'm missin' somethin' real  
I need someone who really sees me

Don't wanna wake up alone anymore  
Still believin' you'll walk through my door  
All I need is to know it's for sure  
Then I'll give all the love in the world

Love's for a lifetime not for a moment  
So how could I throw it away  
Yeah, I'm only human  
And nights grow colder  
With no one to love me that way

Yeah, I need someone who really sees me

And I won't wake up alone anymore  
Still believin' you'll walk through my door  
You'll reach for me and I'll know it's for sure  
Then I'll give all the love in the world

Don't wanna wake up alone anymore  
All alone

Don't wanna wake up alone  
Just reach for me  
Don't wanna wake up alone  
'Cause I don't wanna be alone  
Don't wanna wake up alone  
Don't wanna wake up alone  
Don't wanna wake up alone  
Wanna know it's sure  
Don't wanna wake up alone  
I still believe in someone  
Don't wanna wake up alone  
When you reach for me
