### "Angel"

She lived like she knew nothing lasts  
Didn't care to look like anyone else  
And she was beautiful, so beautiful  
I still hear her laugh like she's here

Shower it down on all the young  
It isn't so wrong to have such fun

Forever angel  
I hope they love yo like we do  
Forever angel  
I'll be proud to be like you  
Be like you  
(I'll be proud to be like you)

Does the sun shine up at you when you are looking  
down?  
Do you get along with the others around?

It's got to be better than before  
You don't need to worry now you're gone

Forever angel  
I hope they love yo like we do  
Forever angel  
I'll be proud to be like you  
Be like you  
Just like you

And when i go to sleep at night  
I'll thank you for each blessed thing surrounding me  
For every fall I'll ever break  
Each moment's breath I wanna taste  
Confidence and conscience  
Decadent extravagance  
Never ending providence  
For loving when I had the chance

Forever angel  
I hope they love yo like we do

Forever angel  
I'll be proud to be like you  
Forever angel  
I'll be proud to be like you  
Forever angel  
I'll be proud to be like you
