When the daylight's gone and you're on your own
And you need a friend just to be around
I will comfort you, I will take your hand
And I'll pull you through, I will understand
And you know that

I'll be at your side
There's no need to worry
Together we'll survive
Through the haste and hurry
I'll be at your side
When you feel like you're alone
Or you've nowhere to turn
I'll be at your side

If life's standing still and your soul's confused
And you cannot find what road to choose
If you make mistakes you won't let me down
I will still believe I will turn around
And you know that

I'll be at your side
There's no need to worry
Together we'll survive
Through the haste and hurry
I'll be at your side
If you feel like you're alone
And you've nowhere to turn
I'll be at your side
I'll be at your side

I'll be at your side
There's no need to worry
Together we'll survive
Through the haste and hurry
I'll be at your side
If you feel like you're alone
You've got somewhere to go
'Coz I'm at your side

I'll be at your side
I'll be right there

I'll be at your side
I'll be right there
